

Case Study

Fremantle Media

1 STEPHEN STREET, LONDON

Office Fit - Out
Value: £650k | August 2008

WILLMOTT DIXON
GROUP

Description	<p>Working in collaboration with architects from Mackay & Partners, FremantleMedia appointed WDI to carry out the fit of their offices and to create an environment that reflected the character of this innovative and fast-moving television production company.</p> <p>As the building was in full occupation for the entire duration of the works, this refurbishment project required a complex phased programme of works to be carried out.</p> <p>The project objective was to create an environment that heightened staff interactivity, improved morale and boosted productivity. This was achieved by creating a variety of meeting facilities and improving the quality of lighting and M&E environment.</p>
