**Description**

Willmott Dixon Interiors were appointed by Mott MacDonald to fit out office space to CAT B standard. The project involved stripping down existing fixtures and fitting and bringing the existing surfaces and some of the existing areas to an acceptable standard. The 4th floor flooring was stripped out and replaced with new carpet.

During the 9 week fit out phase new cellular offices, meeting rooms, showers, kitchen areas, print hubs, breakout areas, post rooms and storage rooms were built. In addition a brand new reception area, complete with a business lounge was created.
